

Daisy Chain Branding

Daisy Chain is changing its branding.

Branding is a logo.

Our logo is changing.

Daisy Chain has had the same logo for 20 years.

You may see changes to the outside sign, on our website and Instagram.

Your club or placement will not change.

The staff in your club or placement will stay the same.

Some staff will wear a new t-shirt, this will be green.

This logo is a good change, everyone at Daisy Chain is excited about this.

Below is a picture of the old logo

Here is a picture of the new logo.

If you have any questions or worries about these changes please see your care team leader.

Your care team leader will try and answer any questions you have.
